

KUBE DL CUSTOMER DISPLAY

LCD, one sided customer display

LCD, one sided customer display, 20x2, backlit. Because of its reduced dimensions and being pre-set for fastening to Custom Kube printers, it is the ideal solution to save space at the cash point, at the same time providing clear information to the final user. The display is directly powered by the Custom printer (as an option, it may be equipped with serial cable and power adapter).

CHARACTERISTICS

- 2 lines of 20 characters
- Connectable to KUBE fiscal printers
- Can be secured to the printer using a Velcro strap
