

## VISUAL T PRO OUTDOOR

### Floor standing LCD advertising display

Outdoor Waterproof - Floor standing LCD advertising display

- High definition picture perfect quality
- High fidelity quality sound
- High brightness sun readable screen
- Commercial designed for 24/7 operation
- Intelligent temperature control system
- Easy 178 degrees viewing angles
- Waterproof standard IP65
- 9mm PVB laminated glass

#### CHARACTERISTICS

Easy upgradable options available; Android, Windows and network

Equipped with 3D Noise Reduction Technology

Our intelligent temperature control system will regulate and protect the equipment. Keeping the unit performance at peak level

Our full metal shielding structure will prevent any exterior electromagnetic interference

High brightness and contrast ratios are the key in delivering great visible advertising

Our units are equipped with high quality digital audio outputs

By using the visual extension technology (S-PVA) it will give an easy 178 degrees viewing angle. No deformed pictures and no color distortion, perfect viewing

With a fast 5ms response time, blur, ghosting and distortion will be eliminated, giving way to a perfect dynamic picture
