- Printing width: 80 mm
- Printing formats: double height, double width, bold, compacted, italic
- Operating temperature: from 0 °C to +50 °C

APPLICATIONS

- Self ticketing
- Self check out

FOCUS ON

Printer with digital journal:

The printer allows you to save the data received in the Flash Memory in text or image format. The data can be easily read using a USB storage device.

ACCESSORIES

SHUTTER FOR OUTDOOR:

- Prevents the accidental introduction of objects in the printer bezel
- It allows to reduce the onsite technical assistance costs, because it significantly increases the life of the internal components
- No need any firmware update
- It installs easily, even in the field (retrofit)
- Min paper weight 55 g/m2 with 85% not condensed relative humidity
- Operating temperature -20 / +70°C

VKP80III F adaptor frame kit:

Adaptor for installation in place of a VKP80II-XF kiosk fiscal printer. This adaptor allows to install a new VKP80III-F kiosk fiscal printer instead of a VKP80II-XF guaranteeing the same footprint inside the kiosk and so avoiding any mechanical intervention due to the different size of the 2 products.

TECHNICAL SHEET

Electronic Journal	Micro SD
Mass Storage	Flash memory: 4 Mbytes (+2 Mbytes inside the micro) RAM memory with batteries: 64 kB RAM memory without batteries: 8 MB Fiscal memory: 256 Kbytes (2500 resettings)
Paper width	80 mm
Printing speed	200 mm/sec
Interfaces	RS232, USB, ETHERNET
PLUs	30 (free and fixed)
Customers	10 (with total sold management)
Users	2 (with possibility of password)
Payment types	10 programmable
Price Modifiers	Discounts and increases on item, on subtotal, per value and in percentage
VAT rates	6
Reports	Fiscal, financials, stats of sales and historic
Dimensions	185,5 mm (L) × 129 mm (W) × 91,5 mm (H)
Resolution	203 dpi
Paper roll dimension	max 150 mm
Medium consumption	1.2 A
Power supply	24 Vdc±10% (optional external power supply)
MTBF	150.000 hours (electronic board)
Weight	1,1 Kg
