Q3X F

Elegant and trendy

With its elegant and trendy look, this printer stands out also for its performance and original design. Colours, polished plastic and fine chromed surfaces are perfectly matched to meet the needs of the most demanding and trendy shops. Technical features, performance and quality allow this fiscal printer to be positioned at the top of the retail markets, in franchising networks and in the large scale retail trade.
Ethernet, Bluetooth and Wi-Fi interfaces available.
